Mrs. Amy Uebbing

**Auction namesake and
beloved member of the Foley Family**

The Bishop Foley Catholic Annual Auction was renamed in honor of Amy Uebbing in 2020. For those who may not have had the privilege of knowing Amy, she was a BFC mom and the former Director of Advancement. Amy dedicated the last eight years of her life to the mission of BFC and to all BFC students, families and staff. She was a faithful servant of God, who selflessly gave of her time and worked tirelessly to improve all aspects of the school.

Amy accomplished many things during her eight years as the Director of Advancement, one of her greatest being the insurmountable challenge of raising \$750,000 to fulfill the Field of Dreams Project. The project began with a simple dream by Debbie Redding, a fellow BFC mom and proud BFC alumna. Amy rallied the troops and, being the inspiration that she was, people came from everywhere and worked tirelessly towards the goal. By the grace of God, the Field of Dreams team led by Amy did in fact raise that \$750,000! They not only build the field and track, but they built it in time that Debbie was able to see both of her sons play on that new field! Although Debbie passed away shortly after, thanks to Amy's faith and determination, Debbie was able to see her dream come true.

Amy also tackled many other projects that improved the educational opportunities for the students, including initiating the construction of an elevator to be used by students with disabilities, updating the weight room and music room, creating a new student business center, leading reconstruction of the chapel and creating the new Fan Cave.

Amy was a light around Bishop Foley.

Everyone knew her and was positively impacted by her life in some way. She was someone who believed deeply in caring for and protecting all children. She cared for the students of Bishop Foley as if they were her own. Amy's supportive family, along with many devoted staff members, students and friends, would often be working alongside her with all of her projects and missions. She inspired people to get involved and was loved and respected by all.

She will never be forgotten by those who knew her and we hope that those who didn't have been given a small glimpse into the wonderful, faithful person that she was. Amy finished her eighth year at BFC in June of 2019 and sadly passed away a few weeks later. God Bless our dear Amy and may her life be an example for us all!

Dear Foley Family & Guests,

On behalf of our entire school community, let me extend a warm welcome and heartfelt thanks to you for attending our Amy Uebbing Annual Auction. This night, and your support of it, are crucial to our ability to offer the undeniably Catholic, academically excellent education that we do for our students.

The fundraising we do here tonight is essential, and we would not be here at Petruzzello's with an opportunity to eat, drink, socialize and bid were it not for our Advancement staff and parent volunteers. From acquisitions to decorations, this night comes together with the talents, skills and tireless efforts across hundreds of hours from those who truly love and care about BFC, holding its mission to heart. I thank each parent, staff member and friend who has given their nights and weekends to bring us together tonight, especially recognizing the amazing work of Allison Hoover, Antoinette Trupiano and Christine Kenny.

Know that every dollar raised tonight has a direct impact on our school. There are students in our halls that could not attend without the financial support garnered by the Annual Auction, as well as other events and appeals from our Advancement Department. Likewise, improvements to the facilities, from the stage to the gym to the classroom, are enacted with funds raised from events like these. We would not be Bishop Foley Catholic High School without you and your support – please take my past and advanced thanks to heart as you write your number or raise your wager; you can do so knowing that every contribution directly benefits the students of Bishop Foley Catholic.

On behalf of the Administration and all our staff, I thank you for your support of our school. The Grace of God put us here, and your support will help us to continue His mission for each and every student.

Yours in Christ,
Frank Accavitti III, Ed.S.
