

Ryan Butcher

MATHEMATICS DEPARTMENT

CLASSES TAUGHT:

Geometry, Honors Geometry,
Honors Pre-Calculus

ABOUT ME:

Hello! My name is Ryan Butcher, mathematics teacher at BFC. After receiving a finance degree from Oakland University in 2012, I worked in accounting for ten years. Transitioning into education as a second career was the best choice I've ever made, aside from having children. I have always had a passion for teaching and a strong interest in mathematics. I received a Master of Arts in Education from the University of Phoenix in May 2023. We have two young daughters and a golden retriever. I enjoy playing recreational sports and spending free time in Northern Michigan.

GRADING POLICY

Mathematics is graded on a weighted scale:

Homework/Classwork - 30% | Quizzes - 20% | Tests - 50%

HOMEWORK/LATE WORK POLICY

Homework will be given most days and is due in the next class. Late homework is accepted for partial credit. One point will be deducted for each late day.

HOW CAN A STUDENT SUCCEED IN YOUR CLASS?

Always try your best, and you will never fail my class!

BEST WAY TO CONTACT YOU/COMMUNICATE

I am available via email or phone call. Communications to the class will be posted to Google classroom. Individual communications will be emailed with parents included when necessary or if requested by the parent.
