

# Ryan Butcher

## MATHEMATICS DEPARTMENT

### CLASSES TAUGHT:

Honors Algebra I, Algebra I, Honors Pre-Calculus, Pre-Calculus

### ABOUT ME:

Hello! My name is Ryan Butcher, the new math teacher at BFC. After receiving a finance degree from Oakland University in 2012, I worked in accounting for over ten years. Transitioning into education as a second career, I have always had a passion for teaching and a strong interest in mathematics. I received a Master of Arts in Education from the University of Phoenix in May 2023. We have two young daughters and a golden retriever. Northern Michigan is my favorite place to spend free time.

### GRADING POLICY

Mathematics is graded on a weighted scale.  
Homework/Classwork - 20%. Quizzes - 30%. Tests - 50%

### HOMEWORK/LATE WORK POLICY

Homework will be given most school days and will be checked at the beginning of the next class. Late homework is accepted for partial credit. Points will be deducted for each late day, up to one full week.

### HOW CAN A STUDENT SUCCEED IN YOUR CLASS?

Try your best!

### BEST WAY TO CONTACT YOU/COMMUNICATE

I am available via email or phone call. Communications to the class will be posted to Google classroom. Individual communications will be emailed with parents included when necessary or if requested by the parent.
