ABOUT ME:

Hello. I am Chase Caribardi. I teach AP World History, World History and US History. This is my fourth year teaching at BFC, and I was a student and graduated from here in 2017!

I attended Rochester University, where I majored in secondary education, and played basketball for a number of years as well. Prior to coming back to BFC, I taught at Holy Family Regional School in Rochester Hills. I am happy to be home at Bishop Foley!

GRADING POLICY

Grades are calculated by total points. Points will come from classwork, homework, projects, quizzes and tests alike. Participation will also contribute to points earned as well.

HOMEWORK/LATE WORK POLICY

Homework will be assigned periodically where applicable, and most commonly will be found on Google Classroom. It is the student's responsibility to make up missed assignments in a timely fashion and to reschedule any missed tests or quizzes. Students may turn in late work for reduced credit. Every day an assignment is late, it incurs a 10% deduction of the assignment's point value. No assignments will be accepted after three days.

HOW CAN A STUDENT SUCCEED IN YOUR CLASS?

The secret to doing well in my class is simply by listening, participating and keeping up with note-taking in class. I encourage students to stay on top of their assignments and to come to class with a positive attitude each and every day.

I will assist students in any way I can, and look forward to growing alongside them this year. God bless and Go Ventures!

BEST WAY TO CONTACT YOU/COMMUNICATE

The best way to contact me will be via email. I do my best to check them regularly and often, and to respond within a timely manner. Any email received after 9 PM will be answered the following day.
