ABOUT ME:

2026-2027 begins my 28th year teaching and my 6th year here at Bishop Foley. I teach physical science, physics, and AP Biology. In addition to teaching, I am the head coach for both Cross Country and Track and Field.

GRADING POLICY

My classes are graded by total points.

HOMEWORK/LATE WORK POLICY

Homework is an important part of the students grade in my classes. It is a way to practice skills and just like in sports, music, or art, the more practice you have the better you will be.

HOW CAN A STUDENT SUCCEED IN YOUR CLASS?

The best way to success in my classes is to stay focused and spend 10 -15 minutes a day studying for the class regardless if there is any assigned homework.

BEST WAY TO CONTACT YOU/COMMUNICATE
