REVERSE 2023 RAFFLE

supporting the
BFC Turf
Field & Track

Proceeds benefit Bishop Foley Turf Field & Track

The raffle is a great way to support BFC's beautiful Turf Field and Track and all that it brings to the school. The track and field offers students a state of the art place to play, practice, and compete, as well as provide rental income. Proceeds from this event help support the Foley athletic program, pays the debt on the track and field, and contributes to a savings account to set money aside to replace the track and field in the future.

How it works: Last ticket drawn **wins!**

Purchase your ticket for \$175 – this includes stadium food, pop, beer, and wine. You have a chance to win \$10,000! Only 149 tickets are sold, so the odds are great. Tickets admit two people.

Tickets 1-150 are drawn throughout the evening. As they are drawn, that ticket is no longer in the drawing for the grand prize. If your ticket is drawn early in the raffle, big money can still be won with the other contests, such as Bingo, 50/50, and other raffles. Plus, the 150th ticket can still be purchased by buying Last Chance tickets!

When the raffle is down to the final nine tickets and Last Chance ticket winner is selected, participants will be asked if they want to split the \$10,000. If the decision is not unanimous, another ticket number is drawn. Each drawing, the question is asked if they want to split the winnings. If the answer continues to be "no," the drawing goes on until the last person becomes the grand prize winner of \$10,000! *Note: Odds of winning are 1 in 150.*

Last Chance Luck: Another **Ticket** To Win

Purchase a Last Chance ticket for additional chance to win! When the raffle is down to the final nine contestants, the Last Chance ticket will be drawn. If your ticket is pulled, you are guaranteed to be in the **TOP TEN** drawing.
